

"I'm from Darrington, Washington. I now live in Peabody, MA. I draw only using my thumb on a touch pad. My weapon of choice is my trusty copy of Photoshop. All art I do is digital due to not being able to use my arms like most people because of a disorder called SMA (Spinal Muscular Atrophy...Type 2 to be specific). My main inspirations are Stan Lee, Shinichiro Watanabe and my beloved wife."

Nathan Herman
